Specifications

MODEL	ENJOY
Power rating	2-9.5 kW
Rated pressure	0.3-7 bar
Element type	Tubular element
Rated current (for 220V)	9A (2kW) - 43A (9.5kW)
Dimensions H x W x D (mm)	381 x 215 x 77
Carton size (mm)	525 x 242 x 100
Container load 20'	2,016 units
Container load 40'	3,936 units
Water connections	½" BSP
Protection class	IPX5

2 Temperature Settings
Maximizes energy savings

Unlimited Hot Water Supply
Water is heated as soon as faucet is turned on

Electrical

The appliance must be grounded, and connected to the supply by means of permanent wiring through an isolation switch having a contact separation of at least 3mm on all poles, and protected by a suitably rated circuit breaker.

The cross-sectional area of the connection cable must be in accordance with the power rating of the appliance and the specific requirement of the installation site.

The appliance must be installed in accordance with current IEE wiring regulations.

Warranty

One year on-site parts and labor.
